February 2018

Dear Friends,

Growing up, baseball was one of my great loves. The smell of the leather glove, the sound of the ball coming off the bat, the sight of the green, cut grass - it's a beautiful game. Maybe you can remember your own sunny, spring days on the ball field. We're quickly approaching that season again this year, and with it we have fresh opportunity to be ministers of the gospel.

In 2018, Lakeview has the privilege of partnering with Wingate University's baseball team in a unique and exciting way. The goal of our partnership is to make an eternal investment in the young men on the team. We'll do this by encouraging them on and off the field, inviting them into our homes and our pews, and building lasting relationships. It thrills me to think of an entire baseball team feeling loved and hearing the gospel from God's people.

I can see it now: A cool evening at the Ron Christopher Stadium. The game is about to begin. The team is called name by name as they trot onto the field. And each one hears the cheers of a church that knows them and loves them and cares for them! Win, lose or draw, they are supported and cheered. When the game is over and they're running off the field, they're greeted by their loudest fans - Lakeview Families! Before the next game, each one gets a note in the mail, or a phone call, or a text message, letting them know they're being prayed for and thought of.

What a testimony that would be! And you can be a part of it. Would you consider partnering with us? Be on the lookout for sign ups and more information through the month of February.

In Ministry Together,

Pastor Mark Navey
