Song for the Week:

Give Me Faith by Elevation Worship

Consider:

Did anything stand out to you from the passage?
What does Samson get wrong in verse 3 and why is it important?
What do we learn about God's sovereignty in verse 4?
Discuss the purpose of the story about the honey and the lion?
Describe Samson's attitude towards his wife-to-be.
Why would God enable Samson to kill men, as described in verse 19?
Can you see the Gospel in Judges 14? How?
What does Hebrews 11:1 mean for Samson and for Christians?

Application:

I commit to surrender my will to God.
I commit to pray for God to use me and my church to spread His fame.
I commit to living by faith, not by sight.
